

For Immediate Release

Only three weeks remain for AO advance registration savings

AO's 2021 Virtual Annual Meeting, "Game Changers" to be held March 12 - 14

Arlington Heights, Ill., February 8, 2021 – When it comes to registering for “Game Changers,” the Academy of Osseointegration's (AO) 2021 Virtual Annual Meeting, time is of the essence. With this dynamic and interactive symposium to be held March 12 - 14, advance registration savings of up to \$250 is available only through March 1.

All of the Academy's innovative programming and its unique virtual meeting experience is being offered at phenomenal member rates: \$249 for doctors (\$490 for non-members), \$149 for affiliate/allied staff and only \$75 for student members. To register and all the exciting details including the programming schedule, please go to: <https://ao2021.osseo.org/>.

Why is AO's Virtual Annual Meeting so unique?

- **A phenomenal value!** Only \$249 for members, \$490 non-members, \$75 student members (with advance registration discounts through March 1)!
- Cutting Edge Education – The three-day meeting features **235 expert presentations**.
- Earn up to **55 hours of ADA-CERP** credit hours.
- **Live interaction** in real time with plenary speakers following their presentations.
- **Access meeting content until December 2021**, including all live and on-demand recordings, and Corporate Forums.
- **Nearly 130 e-posters** with video and audio presentations from the authors.
- **Interactive video networking**. Connect one-on-one with participating companies in the virtual exhibit hall and visit the networking lounge to meet up with other AO registrants at any time during the meeting.
- **Claim credit for up to 90 days** after the live event – until June 14, 2021.

About Academy of Osseointegration

With approximately 4,000 members in more than 70 countries, AO is recognized as the premier international association for scientists and professionals interested in osseointegration and implant dentistry. AO serves as a nexus where specialists, generalists and scientists can come together to evaluate emerging research, technology, and techniques; share best practices; and define optimal patient care using timely science and evidence-based methods. Like us on Facebook, follow us on Twitter and Instagram @AcademyOsseo; @AcademyofOsseointegration on LinkedIn; and subscribe to us on YouTube.
